Julius Berger Supports with Covid-19 Response Measures

Julius Berger Nigeria Plc (Julius Berger) has taken action in response to the Covid-19 pandemic in Nigeria.

The Company has begun a series of initiatives to back the activities of the Federal and State Governments, as well as key public agencies and healthcare providers in their fight to curb the virus and minimize its effects on the country and its citizenry.

On Saturday, April 2, 2020, Julius Berger mobilized its equipment to support the Abuja Environmental Protection Agency (AEPA) in carrying out a city-wide sanitation campaign to fumigate and decontaminate the Federal Capital Territory. As hygienic conditions are essential to protecting human health during all infectious disease outbreaks, including the COVID-19 outbreak, this campaign is expected to be ongoing and Julius Berger will continue to provide the needed equipment and key personnel as consecutive decontamination efforts are rolled out in key locations central to containment of the pandemic.

The wellbeing of Nigeria and our fellow citizens is of paramount importance to Julius Berger. As a committed corporate citizen, the company will continue to closely monitor the current COVID-19 status and government advice, taking public safety precautions very seriously and providing support in these challenging times.

About Julius Berger

Julius Berger Nigeria Plc is a Nigerian company offering integrated construction solutions. The company has been operating in Nigeria since 1965 and its scope covers all areas of construction.
