Julius Berger Nigeria Plc Supports to Transport Rice on Easter Weekend

As part of Julius Berger Nigeria Plc's (Julius Berger) continued effort to support Federal and State Governments, as well as key public agencies and healthcare providers in their fight against the Covid-19 pandemic, the company has put its transport fleet to work, to help in delivering essential supplies.

On April 10, to aid the Akwa Ibom State Government in the donation of rice to its citizens, Julius Berger enacted its logistics solutions. Convoys of Julius Berger's tippers transported loads of rice to various markets (rice stores), for further distribution to Local Government Areas (LGA's) across Akwa Ibom State. The transport and delivery to markets was made just in time for the 2020 Easter Holiday weekend.

Julius Berger will continue to utilize its resources, facilities and knowhow to provide impactful support directly to those working the front lines to tackle the spread of the pandemic and minimize its effects on the country and its citizenry.
